

## Introducing Annette's Heavenly Cakes

Hello. My name is Annette and I run Annette's Heavenly Cakes with my two sisters. Judy and Sue.

Some years back, I was privileged to work with two experienced Italian cake decorators and makers. We made cakes for The La Mirage, Merlin Bistro and the Carousel Bistro. I decided to use that knowledge and love of cake making to create 'Annette's Heavenly Cakes'.

My sister Judy is very artistic and paints beautifully with icing while my other sister Sue has attended Cake decorating schools and makes spectacular flowers and arrangements . Between the two of them they can create awesome cakes.

I deal mostly with the baking and the covering of cakes. Wedding cakes are also my speciality so as a team we produce some pretty fantastic cakes.

A great example of our team work was the Vatican cake which you will find in our gallery.

We aim for the wow factor and when we make a customer very happy it leaves us with the most wonderful feeling especially when we know it's gonna taste sooo good.

Well that's a bit about us. Don't forget to order your cake because I know once you try it you'll be back!

ENJOY!!
